Dear valued client and friend,

With the New Zealand government announcement yesterday declaring the termination of the Covid 19 response traffic light system which includes non wearing of masks for the majority of us. We at TSS wish to inform you all that our Soft Services Division in particular our Cleaning Teams will continue wearing masks, which is part of the TSS ISO Hygiene Standards.

As a hygiene focused organisation, we will ensure every effort is made to provide you with a number of safe hygiene solutions in the future.
